Introduction for DATOS—A Followup Questionnaire

As part of an effort to understand your current situation and that of others who have received treatment for drug abuse problems and in order to learn how to make such treatment more effective, I want to ask you some questions. This interview will take about an hour and a half to complete, and when we are done, I will pay you a \$15 incentive for your time. I will try to move along quickly, but at a speed that is comfortable for you.

We have learned through previous research that clients with drug and alcohol problems often have treatment or service needs in other areas of their life as well. During this interview, we will look briefly at your background. Then I will ask you about your experience during treatment and prior to treatment. Next, I will have some questions about your education and your alcohol, tobacco, and drug use. Then there will be some other questions, including some about your employment and support, your income and expenditures, your health and health risk behaviors, and finally about your posttreatment experience. This interview, as we have already discussed, will be kept strictly confidential.

Throughout the interview, I will be asking you about things that have occurred during certain periods of your life, like things that happened prior to your drug treatment, during your drug treatment, and mainly after your drug treatment. We will use a calendar to help you focus on exactly what time frame we are talking about. We do not expect you to remember everything exactly, but we think you will have a good idea about most of the things we ask and when they happened.

At certain points during the interview, I will also ask you to look at some cards that will help you answer in a way that we can record easily. Do you have any questions before we begin?

SECTION B. TREATMENT EXPERIENCE

INTERVIEWER CHECKPOINT

BE SURE YOU HAVE ENTERED THE NAME OF THE PROGRAM, THE DATE OF ADMISSION, AND THE DATE OF DISCHARGE ON TALLY SHEET B.

The questions in the rest of this interview refer to things that happened during different periods of time. We've found that using a calendar will help you remember better and more accurately place when things happened that I ask you about. First, we need to establish when you last went to (NAME OF PROGRAM), and then we'll look at a calendar.

B1. Our records show that you began an episode of treatment at (NAME OF PROGRAM) on (DATE OF ADMISSION FROM TALLY SHEET B). [CIRCLE IN PENCIL THE DATE OF ADMISSION ON CALENDAR AND SHOW TO CLIENT.] Also, you last talked to someone at (NAME OF PROGRAM) and you last went to that program on (DATE OF DISCHARGE FROM TALLY SHEET B). [CIRCLE IN PENCIL THE DATE ON CALENDAR.] As best as you can remember, is that correct?

01 YES, DATES CORRECT → [CHECK "YES" IN 2a AND 3a ON TALLY SHEET B.
THEN GO TO INTERVIEWER CHECKPOINT BELOW.]

02 NO, DATE INCORRECT OR LEFT PROGRAM ON ANOTHER DATE → [CHECK "NO" IN APPROPRIATE SPACE ON TALLY SHEET. IF DISCHARGE DATE IS INCORRECT, ASK B1a. IF DISCHARGE DATE IS CORRECT, GO TO THE NOTE BOX BELOW.]

B1a. When would you say was the last time you went there for treatment?
[RECORD DATE BELOW FOR DATE OF DISCHARGE AND ENTER ON TALLY SHEET B.]

--	--	--	--	--	--

MONTH DAY 19 YEAR = CORRECTED DATE OF DISCHARGE

NOTE: IF DATE OF ADMISSION OR DATE OF DISCHARGE CHANGED, BE SURE TO UPDATE THE INFORMATION ON BOTH THE CALENDAR AND TALLY SHEET B.
