CALENDAR   CALENDAR

Throughout the rest of this questionnaire, I will be asking you to answer a number of questions about three specific time periods, namely the past 30 days, the past 12 months, and your lifetime. To help you remember the first two time periods, let's mark this calendar with the beginning dates for each one of them.

SHOW CALENDAR TO RESPONDENT.

Now let's think about the past 30 days. According to the calendar, **DATEFILL** was 30 days ago, so I will write **DATEFILL** here on the calendar. I'll call that your 30-day reference date.

WRITE 30-DAY REFERENCE DATE ON CALENDAR AND CIRCLE DAY; UNDERLINE ENTIRE 30-DAY PERIOD.

A number of questions will ask about the past 12 months, that is since this date last year. Let's look at the calendar and find that date — **DATEFILL**. I'll call that your 12-month reference date.

WRITE 12 MONTH REFERENCE DATE ON CALENDAR AND CIRCLE DAY ON CALENDAR.

Please use this calendar as we go through the interview to help you remember when different things happened. I will remind you to think about your 30-day reference date and your 12-month reference date when I ask you questions.

PRESS [ENTER] TO CONTINUE.

Tutorial

INTRO1 Welcome to the RTI self-interviewing system. We developed this system so that you can control the interview yourself and enter your answers in complete privacy.

First, you will learn how to use the system and complete some practice questions. You will learn how to enter answers, how to back-up if you make a mistake and want to change an answer, and what to do if you do not know the answer to a question.

Press the large [ENTER] key on the right side of the keyboard to move to the next screen. The [ENTER] key is the one with the ↵ symbol on it.

INTRO2 In this system you can read the questions on the computer screen and hear them read through the headphones. If you would like to just see the questions on the screen, you can turn off the voice. You will learn how to do this.

Press the large [ENTER] key on the right side of the keyboard to move to the next screen. The [ENTER] key is the one with the ↵ symbol on it.

HEAROFF You can lower the sound by adjusting the control on the cord of the headphones. Or, if you don't want to listen to the sound at all, you can press the **[F7]** key to turn the sound off. If you want to hear the questions read aloud, you can press the **[F7]** key again to turn the sound back on.

Press [ENTER] to continue.

GOTDOG You answer questions by putting in numbers that correspond to your answer. The numbers are located in the second row of keys.

Inhalants

INHINTRO   These next questions are about liquids, sprays, and gases that people sniff or inhale to get high or to make them feel good. We are not interested in times when you inhaled a substance accidentally — such as when painting, cleaning an oven, or filling a car with gasoline.

The questions use the word "inhalant" to include all the things listed below, as well as any other substances that people sniff or inhale for kicks or to get high. Take a moment to look at the substances listed below so you know what kinds of liquids, sprays, and gases these questions are about.

Amyl nitrite, "poppers," locker room odorizers, or "rush"
Correction fluid, degreaser, or cleaning fluid
Gasoline or lighter fluid
Glue, shoe polish, or toluene
Halothane, ether, or other paint solvents
Lighter gases, such as butane or propane
Nitrous oxide or "whippets"
Spray paints
Other aerosol sprays

INTROSV1   These next questions ask about the use of **sedatives or barbiturates**. These drugs are also called "downers," or "sleeping pills." People take these drugs to help them relax or to help them sleep. We are not interested in the use of "over-the-counter" sedatives such as Sominex, Unisom, Nytol, or Benadryl that can be bought in drug stores or grocery stores without a doctor's prescription.

Ask your interviewer to show you Card D.
